Are you...

- Thinking about getting pregnant?
- Trying to conceive?
- Planning for baby?
- Considering freezing your eggs?

Join us for an evening of complimentary cocktails, hors d'oeuvres, & discussion about fertility, sex, genetics, and what you can do now to plan for a healthy family.

You and your partner will have the opportunity to hear from, and speak individually with, the experts dedicated to making healthy families, including reproductive specialist Dr. Stephanie Thompson as well as a genetic counselor from Recombine.
